SAFETY PAYS

Summer Work Program
FOR VI TEENAGERS

July 2007

Welcome to VITAMM Summer Work Program! This program is designed to provide students with valuable work experience and to help them develop skills that will be useful in their future careers. Participants will have the opportunity to work in a variety of positions, including positions in the field of environmental science. The program is open to students who are currently enrolled in high school or are graduating this year. Applications will be accepted starting on [date] and will be due on [date]. For more information, please contact [contact information].
